Our Mission Today

At Go Raw, our mission is to help you eat better, feel good, and be your best self—with the world's tastiest sprouted plant-based superfoods!

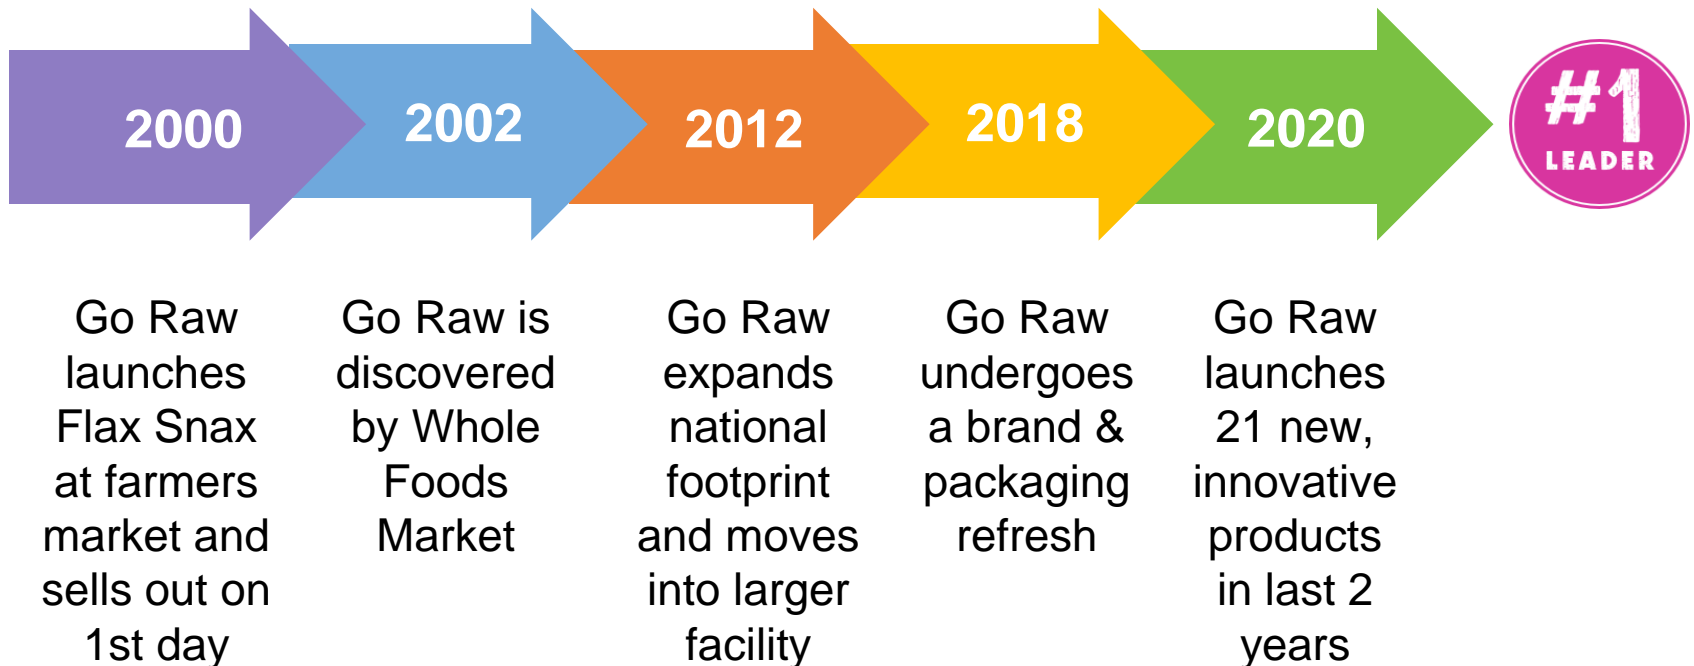

Go Raw products are passionately handcrafted using only a few, simple, organic ingredients and are minimally processed to deliver the nutrients, protein, and energy you need to fuel your day.

Go Raw Leads Plant-Based Revolution

- Go Raw has led sprouted plant-based movement starting in 2000 and has grown to become the world's #1 leader in sprouted plant-based snacking

- **Plant-based eating a significant and growing trend**
 - US plant-based food sales +29% in 2 years to \$5B vs. +4% for total Food¹
 - During Covid-19 peak buying period, plant-based foods +90% vs. YA; post peak buying still growing 35% faster than total retail food²
 - 88% of Millennials are making plant-based foods a priority in their lives³
- **Sprouting becoming a mainstream health benefit**
 - 70% of consumers trust sprouted seeds have a positive impact on health⁴
 - Sprouted product launches increased 26% per year over a 4-year period⁵
- **Seeds delivering on key diet and lifestyle trends**
 - Seeds are Keto-friendly; global Keto market nearly \$10B in 2018 and expected to reach to \$16B by 2027, growing at a CAGR of 5.5%⁶
 - Seeds are Paleo; global market to surpass \$17B by 2026, at 7% CAGR⁷
 - Seeds sustainable and appeal to environmentally-conscious Millennials
 - Seeds named a “Top 20 Food Trend” by National Restaurant Association⁸

- Go Raw products are sprouted and gently dried to enhance the natural germination process and unlock nutritional benefits
 - Sprouting offers key benefits vs. raw or roasted seeds:

- ✓ Preserves seeds' natural enzymes and healthy nutrients
- ✓ Unlocks nutrients and makes them easier to absorb¹
- ✓ Breaks down seeds and makes them easier to digest¹
- ✓
