Don't Just Take Our Word for It

"As you get older, you learn how to optimize your nutrition to perform at the highest level and truly reach your potential. When I was on the field and through my recovery, UCAN was a part of my daily routine and it still is. Any time I'm doing any type of physical therapy activity, if I have a big day, or I'm on the go, it's something that's a must for me."

— Alex Smith, Former NFL Star

Used by over 400 pro and college teams, recommended by top dietitians and trainers, & fitness enthusiasts at every level worldwide.

"UCAN is like a slow-drip IV giving a constant, steady release of carbohydrates."

"The slow release of carbs will keep your energy and strength up as you make your way through the day."

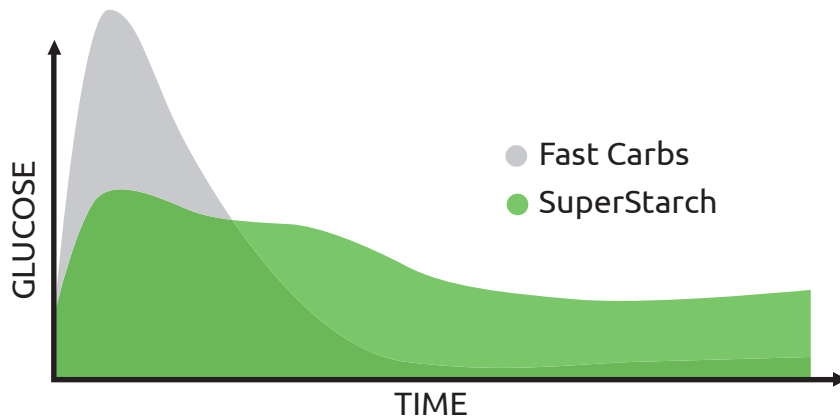

"I mix it up and drink it right away even before I start stretching, to help speed recovery."
