Each can of our ginger beer contains 0.6oz of fresh-pressed organic</p>

## Moonglade Brews Line Sheet

**SMALL BATCH:** We brew our craft sodas in small batches in sunny Southern California allowing us to ensure our sodas are full of flavor and real, natural ingredients.

**ALL NATURAL BEVERAGE:** All ingredients are natural and sourced from the finest suppliers. We use real cane sugar, real vanilla extract, natural botanical extracts like wintergreen and cinnamon.

**DISTINCTIVE BEVERAGE:** Perfect for beverage connoisseurs that want a truly unique experience. Years of flavor research and ingredient sourcing have gone into creating a truly satisfying root beer.

A portion of proceeds is donated to Eagles Wing's program founded by Cmdr. Ronald Ritter to support veterans and their spouses.

ginger, fresh California citrus, real cane sugar and organic botanical extracts.

**SMALL BATCH:** We brew our craft sodas in small batches allowing us to ensure our sodas are full of flavor and real, natural ingredients.

**VERSATILE BEVERAGE:** Perfect for making a spicy Moscow Mule or Dark and Stormy. Great choice for a non-alcoholic beverage with real health benefits from the fresh, organic ginger. Ginger helps soothe your stomach, aids in digestion, immunity and workout recovery.
