THE FRESHEST NATURAL SKINCARE

RX Skin and Bath uses 100% Natural Fresh Ingredients with a fun twist to invigorate all five senses.

Our Mission

Our mission is to help you nourish your largest organ, your skin, by infusing plant-based nutrients that are clean for you and the environment alike. We use raw ingredients that are skillfully selected and hand-batched to give your 5 senses a premium experience.

At Rx Skin and Bath, we are deeply passionate about eradicating unnecessary chemicals from our skincare industry. All of our products are made in the USA. Every single product is crafted with love, music and an Americana retro vibe spirit!

Colors, fragrances and shapes are abundant in our products for the perfect dose of natural self-care. We are passionate about health and wellness and part of our proceeds go to local hospitals.
