Dear Michael Hsun

Sorry for the delayed payment transaction.  
We have transmitted the last payment of \$7335.24.

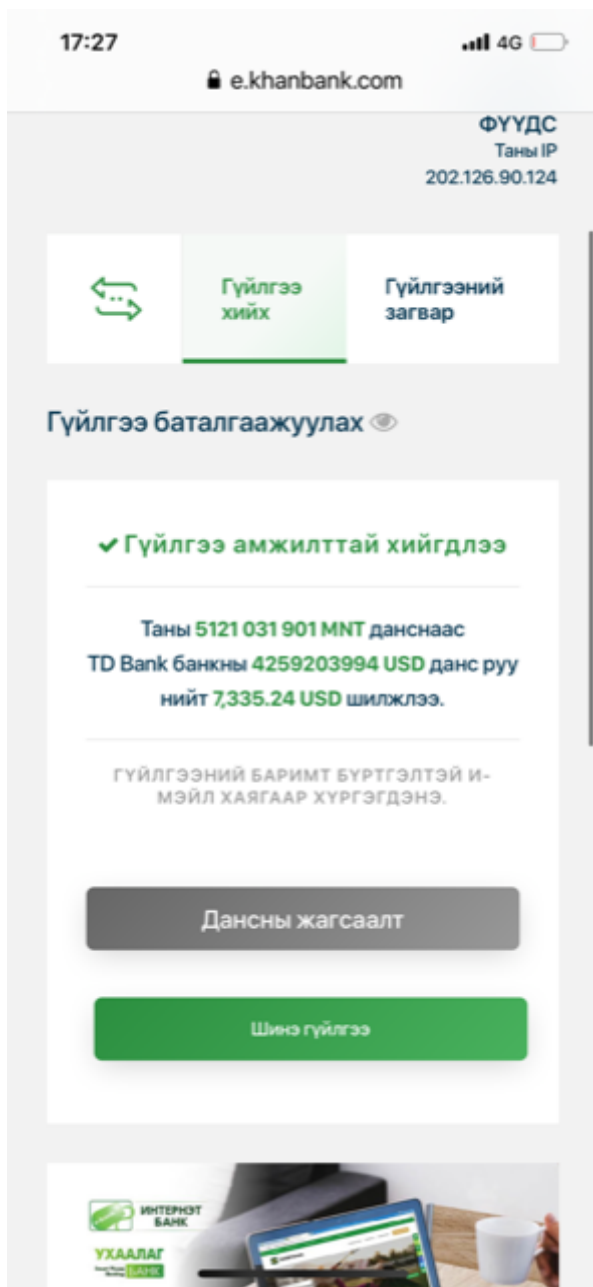

There is something to clarify. Would you kindly explain more on the amount of \$335.

The Tuushin transportation company will be getting in touch with you.

There is a request to you: the products should have the new manufacturing date, because: as indicated in the Mongolian law, once the 1/3 of the time after the manufacturing date passed at the point of customs inspection, the delivery of the product will not be allowed in through the customs and it will be destroyed, and regardless of the volume of the delivery a big amount of fine will be imposed. Therefore, would you kindly take this into your consideration and notify on this information further to your manufacturers, please.

I hope we will cooperate on this issue by taking it into account.

Regards  
Ulzii
