To ensure the trucking invoice is rated as quoted, please ensure the shipper's IBOL (Inland Bill Of Lading) is consigned as above - failure to do so may result in higher charges and/or documentation fees. Quotes are based on information supplied at time of booking. If the actual weight - cube is found to be higher than what is shown here this can also result in higher charges based off of the weight and inspections by the inland carrier(s) and/or receiving warehouses. Over length and/or oversized freight, hazardous materials, lift gate, and other accessorial charges are subject to additional surcharges.
