Subject: Re: RC - Asking for Honey Stinger Stock Availability

Hi Tracy,

Hope you had a good weekend. I have confirmed that this order will be on one pallet. Dimensions will be available just before the ready date, but I estimate that this will be roughly 1335lbs and 48"x 40"x 60".

Nick, please kindly confirm when payment is remitted so I may confirm receipt on our side. Thank you very much.

Kind regards,

Michael Hsun
