*** Special Instructions for Customer/Shipper ***

To ensure the trucking invoice is rated as quoted, please ensure the shipper's IBOL (Inland Bill Of Lading) is consigned as above - failure to do so may result in higher charges and or documentation fees. Quotes are based on information supplied at time of booking. If the actual weight - cube is found to be higher than what is shown here this can also result in higher charges based off of the weight and inspections by the inland carrier(s) and or receiving warehouses. Over length and or oversized freight, hazardous materials, lift gate, and other accessorial charges are subject to additional surcharges.
