SOLAS Verified Gross Mass requirements

Shipper shall provide DGF with the verified gross mass established in accordance with method one or two as per SOLAS Guidelines of each packed container (FCL) or each package of cargo (LCL) in accordance with SOLAS and the deadlines established by DGF. Shipper acknowledges and agrees that DGF will rely on the accuracy and timeliness of such gross mass information and use this to comply with its obligations to sub-contractors in accordance with SOLAS and Shipper will indemnify DGF against any and all claims, costs or consequences as a result of or in connection with delayed, inaccurate or incomplete verified gross mass information provided by or on behalf of the Shipper on which DGF relies.

Sanctions- and Export Control Compliance Clause

- (1) The Shipper shall ensure compliance with all applicable export control and sanctions laws and regulations ("Export Laws") and warrants in particular that:
- (i) neither Shipper, any holding company, agents, Consignee or any other third party directly contracted by Shipper for the delivery of the shipment are listed on any applicable sanctions lists as a denied or restricted party;
 - (ii) the delivery of the Shipment to its final destination, any known end-user and end-use do not constitute a breach of any applicable Export Laws;
 - (iii) Shipper will inform DHL should the shipment be subject to any applicable sanction and/or export/re-export restrictions under applicable Export Laws
 - (iv) Shipper has obtained all necessary permits, licenses or other government authorizations required for the delivery of the shipment to its final destination and end-use.
- (2) Shipper shall provide DHL with all information, including permits and licenses, required by applicable Export Laws to permit DHL to further the delivery of the shipment to the final destination country.
