

### **Current Regulatory Credentials – 2019 – 2020**

- NVE operates a dietary supplement and beverage business manufacturing and selling products under the trade name of Stacker 2.
- NVE also functions as a contract manufacturer / packager / labeler for dietary supplements, beverages and food products for other companies.
- The New Jersey Department of Environmental Protection has assigned a T3 drinking water status to the NVE facilities. This status requires routine testing of NVE water by an independent laboratory. Water quality is evaluated for coliform bacteria, organic contaminants, VOC and other analytical parameters. Copies of these reports are on file and available upon request.
- NVE is licensed by the New Jersey Department of Health to operate a food establishment – License number 0011121. Please see attached certificate.
- NVE is routinely inspected by the New Jersey Department of Health for sanitary manufacturing conditions. Please see attached Good Manufacturing Practice Certificate and the Sanitary Inspection Report.
- NVE is registered with the US Food and Drug Administration as a food manufacturer. The FDA Registration number is 11325053296.
- NVE is licensed by the State of Connecticut Department of Consumer Protection for non-alcoholic beverages and water bottlers. The license number is NAB.0001053.
- NVE is licensed with the State of Main Department of Agriculture as an out-of-state beverage plant operation. The license number is 2-27819.
