This is to certify that the above establishment is operating under a Food Processing Establishment License issued by the New York State Department of Agriculture and Markets and is regularly inspected by this Department for compliance with current regulations. All products manufactured by this firm in compliance with the requirements of the Department and the United States Food and Drug Administration have a free sale in all areas of our jurisdiction. The manufacturer has certified to the Department that all of the ingredients contained in the products listed above are approved for food use in a regulation of the United States Food and Drug Administration or appear on the GRAS list. The manufacturer has further certified to the Department that this product is manufactured with the same formula used when said product is offered for sale and sold in the country of origin, that said products are readily available for sale in the United States without restriction and that said products are intended for human consumption when used in accordance with Good Manufacturing Practices.

This certificate should not be interpreted as a guarantee, expressed or implied by the Department, neither should it be used for propaganda, advertising or other similar purposes. The laws and regulations administered by the Department do not provide for the kind of continuous supervision over regulated products that would be required for it to provide unqualified assurances concerning the compliance status of individual product lots.

Dan McCarthy, Director
