

March 7, 2022

Dear Quality Candy Customer,

This letter is to confirm that Quality Candy Company's manufacturing facilities operates in full compliance and in good standing of the following regulations:

- 21 CFR 101 Food Labeling
- 21 CFR 110 Good manufacturing practice in manufacturing, packing, or holding human food
- 21 CFR 117 Good manufacturing practice, hazard analysis, and risk-based preventive controls for human food
- 9 CFR 416 Sanitation

Including all applicable aspects and rules of the FDA Food Safety Modernization Act:

- Title I – Improving Capacity to Prevent Food Safety Problems
- Title II – Improving Capacity to Detect and Respond to Food Safety Problems
- Title III – Improving the Safety of Imported Food
- Title IV – Miscellaneous Provisions

If you have any further questions, please feel free to contact me.

Respectfully,

Brett Johnson

Director of Technical Services
