Certificate of Free Sale

This certificate will confirm that *Beyond Better Foods*

has certified to us that the below products are manufactured and freely sold in the United States of America.

The Manhattan Chamber of Commerce, a recognized Chamber of Commerce under the laws of the State of New York, declares that to the best of its knowledge the information included in this certificate is true and correct.

This certification should not be construed as either an expressed or implied warranty or guaranty of any of the products of said manufacturer by this organization or of their compliance with Federal, State or Municipal standards and regulations. This certificate may not be used for propaganda, advertising or other similar purposes.

This Certificate of Free Sale applies to the following products:
