Non-GMO Statement

To our valued customers:

Joolies LLC, confirms to the best of our knowledge that the following products:

- Organic Whole Medjool Dates
- Organic Pitted Medjool Dates
- Organic Medjool Date Syrup (All Flavors)

are grown and further processed without genetically modified organisms (GMOs) or any derivatives of high-risk inputs, including but not limited to canola, corn, soy, sugar beet, etc.

Furthermore, our products are Certified Organic under California Certified Organic Farmers (CCOF). As an integral part of organic certification, the use of genetically engineered ingredients is strictly prohibited. Additionally, all processors and handlers of our organic products are certified organic and take every measure to prevent co-mingling or contamination by GMOs.

If you have further questions, please feel free to reach out.
